Pursuant to the Freedom of Information Act, I hereby request the following records:

The following records relating to Critical Energy/Electric Infrastructure Information (CEII) requests filed with the Federal Energy Regulatory Commission, pursuant to 18 C.F.R. 388.113(g)(5):

- copies of all non-disclosure agreements (NDAs) executed by persons or entities submitting CEII requests to the FERC between December 1, 2016 and the date this request is filed (should this part of my request require onerous search time or high reproduction costs, I request that an aggregated list of the persons and entities who have executed NDAs as part of the CEII request process be provided to me instead)
- copies of notices sent by the FERC to persons or entities regarding potential violations of the aforementioned non-disclosure agreements sent between December 1, 2016 and the date this request is processed
- copies of all CEII requests denied by the Federal Energy Regulatory Commission between December 1, 2016

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.
